

Higher Education Resource Checklist

There are many things to consider when you choose to continue your education after high school. Below are common items that women encounter in their pursuit of a college degree. This checklist can be used for "key word" searches in the 2-1-1 database or as a guide for your conversation when you are talking to college or university counselors or personnel. We hope you find this checklist helpful in your quest for higher education!

NOTE: *Not all programs and services are available at each campus.*
